What happened to the Candy I knew...
Anthony
Anthony is dead
Dead
You really loved him, didn't you...
The first time I met him... Anthony had already loved me...
He's so kind and gentle
That boy He gave you his love He gave you his kindness...
He's dead now What have you done for him, now...
Anthony
You used to cried and cried until your face soaked with tears
Don't cry
You're much prettier when you smile
Candy, don't grieve for him from now on. You should be happy that you've met a sweet boy like him.
You must be happy that you met him...

You must be happy that you have met him...
